NEWSLETTER OF THE

VOLUME 3, ISSUE 2

GLEND A M. ANGUS, EDITOR

JULY 2014

COMMENTS FROM THE PRESIDENT

Gail and I have just returned from our spring stay at our retreat at the base of Peters Mountain and had a great time. It was spring gobbler season for 6 weeks. I only do archery hunting and did not pursue any gobblers this year even though we had them in our yard along with all the other wild animals you could imagine. Our retreat is on a private road about a mile from the main road. It gets almost too quite sometimes but we love it.

Those of you who missed the Stone Mountain rally sure missed a good rally. It was hosted by Bob and Barbara Zumwalt, Bruce and Margaret Ellen, Charlie and Elaine Harvell and Pat and Sue Stanton. It was our first time to visit Stone Mountain State Park and what a delightful surprise. Just saying it was beautiful seems insufficient. Thanks folks for a great job.

I really think we should consider a summer rally and I will put it on the agenda for our next rally which will be in Lewisburg, WV. I don't believe in change for change sake but a great believer in the only way an improvement can be made in anything is to make a change. So we are going to try a week rally vs. a 4 day rally. The fall rally will start on Sunday September 28th and end on Sunday October 5th. The place will be the West Virginia State Fair Grounds

in Fairlea, WV (boarders Lewisburg WV). The Holliday Rambler group is holding a national rally at the same place the previous week and will depart on the same day ours start. They will have 385 coaches in attendance. Hopefully that will not create a congestion on Sunday but worst case we will be dry camping at the fair grounds for Sunday night. There will be full hookup (30 amp) and we will have a nice building for our use the whole week. The details with the fair grounds have all now been completed. This will be a "Cooks Vacation Rally" so leave your aprons at home. More details on the rally will be coming later. The rally is being hosted by Gail and yours truly.

We have added 4 new members to our group in the past 3 months.

Jim and Marilyn Brown from Parsonsburg, MD, Gene and Pat Howell from Fayetteville, NC, Tommy and Emily Bailey from Flowery Branch, GA, Terry Merrion and Bonnie Worley from Sebastian, FL. A BIG WELCOME TO ALL OF YOU.

ELECTIONS

I would like to make a announcement that elections for the next two years will be held during the fall rally in WV. If anyone would like to run for an office please let me, Bill Humphrey or Eileen Haden know so we can put them on the ballot. We will be electing a President, Vice President, Treasure, Secretary, Wagon Master and Asst. Treasure.
(Charlie Harvell)

Ok folks, time to step up and volunteer. This is your opportunity to share your ideas and lead us all in fun—what Blue Ridge is all about.

Congratulations to Brenda J. Fairfax who is completing the Winter 2014 Doctorate of Education program at Abraham S. Fischler School of Education concentrating in Organization Leadership. Brenda has finished Trends and Issues: Society, the Individual and the Professions on-line course with a 6.0 GPA.

Repair work?

If you plan on getting any work done at the factory in Decatur, IN, this summer, especially on a Monday morning, you better arrive early. The lot fills quickly. When I was there last week, the lot was full of Monocos and Holiday Ramblers. I arrived about 1:00 p.m. their time and there was only about 8 vacant spaces.

SUMMER HAPPENINGS!

Pat and I are spending an unusual early part of summer staying around home in PA taking in some short local RV trips before we head off to the DOAI National in Gillette, WY. We will then go from there to the SMART National in Hemet, CA the third week of September before we head back to FL to drop off our RV on our lot at Lily Lake Golf and RV Resort in Frostproof, FL before going back to PA without the RV for the holidays.

Hello All,

Ginny and I are planning a trip to the New England states and wanted to know from any of you that have been there, if there is any must sees that we need to know about. Thanks for any help you can give. This trip requires a lot of planning.

Don & Ginny Ethier

Recently, we had a blow out on our motor home in Georgia. Had the tire replaced and after several hours, we were finally on our way. The ride home was bumpy. Problem was that the tire was not balanced. After arriving home, I called TAFE at 1333 Foster Ave in Nashville (615-254-0665) and Set up an appointment. Not only did they balance the new tire but also the rest of the tires

Excellent service and at a great price. Now our motor home rides smooth and no road noise. We highly recommend TAFE. Great service and great people

PRAYER LIST

Hank Haden: Five radiation treatments for cancer completed and nine more to go. Hank will meet with his Oncologist to restart normal Oncology treatments on 1st July. The radiation treatments are finished. Will not know the results in a month and than perhaps chemo. Visit www.caringbridge.org for more detail updates.

Elaine Harvell Elaine has been dealing with back problems for some time and now is scheduled for back surgery on Wednesday, June 25th. The surgery will take place at Emory University Hospital in Atlanta, GA. She expects to be in the hospital for 4-5 days and then work through a long recovery. No trips for about 6 months per her surgeon. The doctor believes they can help her walk into old age. Possible replacement via bone grafts. Amazing surgical procedures. Elaine's back surgery went well. She was released from the hospital Saturday, 28 June. Now it's a long recovery.

Pat Cahill has been in the hospital for a week and will be there for another 7 days. In a nutshell: The docs have diagnosed him with Endocarditis, which has attacked the two heart valves and kidneys. He is currently on an antibiotic for both as well as dialysis and a 7 day steroid & plasma apheresis treatment. Doctors expect full recovery of the kidneys.

The docs this morning said they still expect full recovery of his kidneys -- hard to imagine when they haven't functioned in a week but they say there is no chronic damage and all should return in time...just don't know when that time will be! Thanks for praying -- we greatly appreciate it! (Linda Cahill)

Pat returned home from the hospital on Saturday, day 15, and is adjusting to a new normal of dialysis 3 times a week and dealing with a catheter. He will be on antibiotics for the bacteria for another 4 weeks, as well as other meds to strengthen & restore his body.

Jim Fairfax: Jim had surgery on June 12th - total knee replacement for right knee. While he is recovering nicely, still enduring pain, but he's happy the surgery is over and hopefully the pain that he had been experiencing from running those Marine Corps marathons will not return.

Thanks for the prayers, and I do believe in the power of prayer. (Brenda Fairfax)

Nieminski Family: Thank you for doing this. I believe in the power of prayer especially prayer in numbers!! Please pray for my daughter's family as they are still having health issues as they navigate through how to care for two special needs children
Thank you & Blessings to all (Sharon Nieminski)

New Members

Emily H. and Tommy Bailey

Tommy and Emily met on a blind date in 1996. They were inseparable from then forward. They live in the area they both grew up in, Flowery Branch, GA- located close to family, church, and friends.

Tommy is a graduate of Southern Polytechnic State University in Marietta, GA with a degree in Mechanical Engineering. He worked for Sunds Defibrator installing new equipment in the paper mill industry for several years and traveled a lot. After several years of being on the road, he decided to work with his dad in the family Grading business preparing land for new homes or businesses. He branched out on his own in 2002 to not only do Grading and Site Preparation, but to include Water line, Storm water, and Sewer installation for new developments. Tommy would really rather be on a tractor bailing hay, plowing and planting the garden, hunting, or off in the RV camping.

Emily is a graduate of Georgia Institute of Technology in Atlanta, GA with a degree in Industrial Engineering and a MBA from Piedmont College in Demorest, GA. She has worked for manufacturing facilities ever since in multiple roles, but mostly helping them improve their systems and remove waste from their processes. Every chance she gets she is planning the next trip in the RV! She enjoys working the garden and canning the harvest, as well as enjoying anytime she can get outdoors and be on or in the water.

Together they own and operate Lake Lanier Boat Storage- a dry, self-storage facility for boats near Lake Lanier Islands; as well as continue to do their day jobs. They both enjoy having fun, laughing, and making lots of memories camping.

In 2002, they were blessed with their first daughter, Torrey, and began camping as a family in 2004 in their pop-up. Girls need bathrooms, so it was on to bigger and better things and a Pop-Up would no longer do. In 2008, they were blessed with another daughter, Bridget, who has been camping since she was 3 months old. They bought their Discovery 40G in 2009, because it was the first diesel pusher they could find with bunk beds for the girls, and have been trying to camp at least 1/month as part of their commitment to family time. Their favorite campground is Blue-Water Key RV Resort in the Florida Keys. Of course Fort Wilderness at Disney is always a favorite with the girls! Over the past few years, Tommy's dad and Emily's parents have fallen into ill health and they've both taken active roles in family issues and caring for their parents so camping trips have been fewer and farther between. But make no doubt, they are always looking forward to the next trip and next adventure! As new members they hope to meet lots of interesting new friends who enjoy camping and traveling and be able to make a rally from time to time.

Itinerary

Blue Ridge OR Mason-Dixon

A number of our Blue Ridge members traveled to Wilmington, North Carolina, in April. A nice camp ground, lots of things to do and lots of fun. Our hosts were Martha & Tom Hundley and Bob & Elizabeth Deal. There was fishing, golf, dining out, and pot luck dinners. We felt right at home with many of our Blue Ridge and Mason-Dixon friends.

FOR THE COOK

Green Beans wrapped with Bacon

3—14 Oz cans WHOLE green beans
1 pound bacon
1/2 Cup melted butter
1 Cup brown sugar
1 teaspoon garlic salt

Cut the bacon slices in half. Partially cook the bacon to cook out some of the grease. Remove from heat before the bacon becomes crisp and drain on paper towels.

Grease a 13 x 9 baking pan. Preheat oven to 350 degrees. Wrap each bacon slice with 7 green beans and place in baking pan.

Combine melted butter with brown sugar and stir until completely blended. Spoon mixture over the green beans. Cover pan with foil and bake at 350 degrees for 45 minutes.

Optional: Sprinkle with slivers of toasted almonds before serving.
