PRESIDENT'S REPORT

Well, here we are near the end of our winter season for those of us who braved the north. It's been a little cold here in Tennessee, but it could have been much worse. Alice and I spent most of this down time either visiting family or making some changes on the Discovery.

I put the members who are sick in our newsletter every month when I know about them. Last month, we sent out a few emails regarding our members who are sick, after the newsletter went out. I am all too happy to send these notices; it shows me what a wonderful group we have that we can ask all of our members for the moral support we all need during these times. Any time that you know of someone that needs support, in any manner, let me know and I will email the members.

I hope all of you received the information on the SE Regional Rally that was sent advising all that the registration deadline was moved back to March 16, 2009. This might allow a few more members to attend. If possible, make it, there is always a good time at a Discovery Rally, meeting old friends and making new ones. We also have our rally, in White Sulpher Springs, WV June 10 – 14 hosted by the Blue Ridge Discoverys coming up.

Check the Rally Schedule for other changes.

Well, for once, my long winded report is short. Hope all have a wonderful Valentines Day, and Safe travels to all.

John Ricciardi
