PRESIDENT'S REPORT

This is going to be a real short newsletter (I hope). Alice and I are back from our extended trip of about 16 weeks. Now its time to get the "D" back into shape for our next trip, the SE Regional Rally, Camp Discovery, at Lazy Days in Seffner, FL 1/31 to 2/5 2010.

Camp Discovery is progressing very well. The program is about complete, but we still need some speakers for a few seminars. If you have a little extra knowledge on any part of your "D", please let us know maybe you can share your knowledge with everyone else. This will help to make it a huge success.

I understand the November rally in Williamsburg, VA is progressing very well and I want to thank Debra Fowlkes for all her hard work. I want to say how sorry I am that Alice and I can't make this rally due to appointments that were made earlier this year and we couldn't change them. Hope the weather is nice and you all have a great time.

One final thing, now that we have set our clocks back and changed the batteries in our house smoke, fire, and CO2 detectors, don't forget to change them in your "D".

Alice and I want to wish you a Happy Thanksgiving and safe travels to all.

TREASURERS REPORT

As of October 31, 2009 we have \$3,434.47 in the Mason-Dixon Discoverys account.

HUMOR FOR THE MONTH

PUNS FOR THE EDUCATED MINDS

A hole was found in the nudist camp fence. The police are looking in to it.

Two silk worms had a race. They ended up in a tie

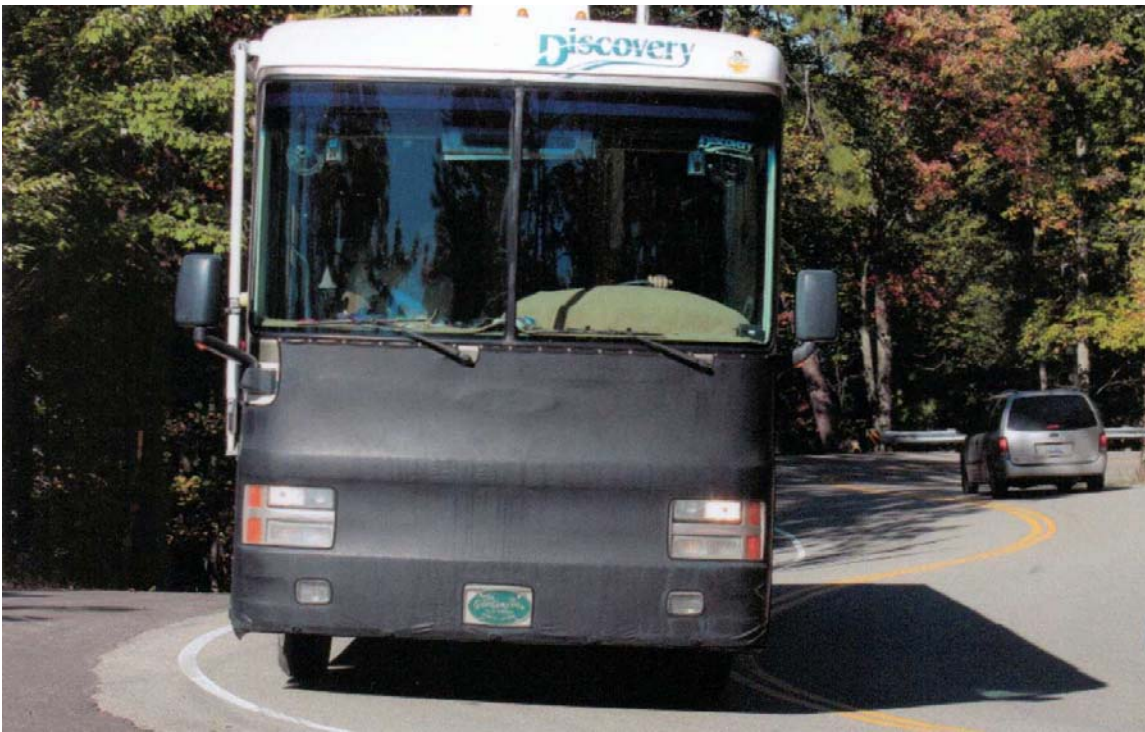

A dog gave birth to puppies near the road and was cited for littering.

If the world is a stage, where does the audience sit?
Why do we put suits in a garment bag and garments in a suit case?

MORE HUMOR

I am also putting the following photos here because they are humorous

This "D" was observed on Rt. 129 in Tennessee, commonly called the Dragons Tail because of the number of tight turns. Note the white knuckles.

By the way, this is Alan Richie and Barbara Brady.

The next photo shows their new entry step.

Note the retracting string.
