#### **PRESIDENT'S REPORT**

I guess everyone that gets the DOAI Express via email has gotten it already and you noticed my article refers to the DOAI National Rally in the past tense. I'm really not a time traveler that went to the future and back. The date of the newsletter is OCTOBER 2010 and the paper edition will be out in October and the article had to be written that way.

Now, for this newsletter, we will talk about the DOAI National Rally in the future. The seminars will be informative, the vendors will be available Tuesday and Wednesday, and the RV Safety Foundation will present a seminar and weigh coaches for a fee (\$49.00). This is a four corner weighing and you will get a document with the actual weights of each wheel location. This is important for correct tire pressure.

Also at the DOAI National Rally, our own Toni Calzone will be presenting a seminar similar to the one she gave in Lazydays in February. You know the one that still has the ladies telling the men what they learned and what us men should learn and do. Maybe we men should attend and listen this time.

Toni will also have the Camp Discovery material with the flash drives for sale for those who want it.

Even with the DOAI National Rally still in the future, Marshall Godwin is already hard at work on the Southeast Region Rally, Discover Your Discovery, in January 2011. This is not going to be a Camp Discovery, but rest assured it will be very informative. There will be several meals included in the rally fee of \$280.31 (\$265.31 to Lazydays RV Campground and \$15.00 to Mason-Dixon Discoverys) as well. I've attached a rally registration form to the end of this news letter, or you can register on line at the DOAI web site.

Hopefully we will all have a safe and uneventful journey to the DOAI National Rally in Sevierville and then we can get ready to have some fun.

Safe travels to all

John

### **HUMOR FOR THE MONTH**

A senior citizens group is having a social and invited a hypnotist. The hypnotist said he was going to hypnotize all of them at the same time. Of course the seniors can't believe that he can hypnotize all of them. The hypnotist takes out a pocket watch on a chain says, "OK, everyone watch the watch; don't take your eyes off of it." Suddenly the entire group is hypnotized. The hypnotist accidentally drops his watch, and says "Oh S—T". It took two days to clean the Senior Citizen Hall.

A hooded armed robber bursts into the Bank of Italy and forces the tellers to load a sack full of cash. On his way out the door with the loot, one brave Italian customer grabs the hood and pulls it off revealing the robber's face. The robber shoots the guy in the head without hesitation! He then looks around the bank to see if anyone else has seen him. One of the tellers is looking right at him. The robber walks over and calmly shoots her in the head. Everyone else is now very scared and looking at the floor. "Dida anyone elsa seea my face?" the robber calls out. There follows a tense silence. Then an elderly Italian gent, looking down, tentatively raises his hand and says, "I thinka my wifa may have caughta glimpse."
