We meet for 4 nights Wednesday through Saturday (leaving Sunday). Although most arrive on Wednesday, many arrive on Tuesday (or even before) and stay until Sunday (or even later). Sometimes, potluck dinners or out-to-eat trips and games develop on Wednesday or Thursday night. Discounted campground rates usually apply from Wednesday night through Saturday night. If you plan to **arrive prior** to the rally dates, **or stay longer you will need to make reservations** for those days directly with the park. You may or may not receive the rally rate.
